

Dear Museum of East Texas Friend,

The mission of the Museum of East Texas is to provide education and enrichment for all ages through exhibitions of art and history. Donations received at our annual fundraiser, the Odd Ball, help us meet our mission each and every day. This year's event will be held March 1, 2024, as we transform the Museum into Vincent van Gogh's "Starry Night."

We invite you to join us as an Odd Ball Sponsor this year. Sponsors are the key to making this event a success and helping us reach our fundraising goal. We have a variety of levels for you to choose from and encourage your support at the maximum level possible.

Your contribution will help us keep our doors open to all in our community for no entry fee as we provide changing exhibits of art and history, hands-on art experiences for all ages in our education room, Super Saturday events, Art Camp, adult workshops, and more. Please help us continue to grow these programs and inspire those in our community and beyond.

We hope we can count on you to be a sponsor of the 3rd Annual Odd Ball. Feel free to use the included form, or if you have questions, we would love to visit with you. Your generosity means the world to us and we thank you for your continued support of the Museum of East Texas.
